PROFESSIONAL EXPERIENCE

Moses Palmer & Howell LLP, 2023 – Current

Commercial Litigation Attorney

State and federal court litigation practice involving commercial and business litigation including oil & gas litigation, contract disputes, and real estate. Austin represents companies in litigation and advises them with their transactions to meet their business obligations.

The Miller Firm, 2021 – 2023

Products Liability Litigation Attorney

State and federal court litigation practice involving commercial litigation and agricultural product liability litigation. Duties include drafting and filing pleadings, managing dockets in different jurisdictions, issuing and responding to discovery requests, pretrial motions, trial, post-trial motions and appeals, and settlement negotiations. Austin researches, interprets, and briefs constitutional law, federal codified law, federal court case law, state codified law, state court case law, and administrative law. As a lawyer Austin often uses research methods, analytical thinking, and persuasive writing abilities to achieve favorable results for his clients in litigation.
